

WISHES NEED YOU

Support Make-A-Wish® Today!

At Make-A-Wish, we believe wishes have the power to give children renewed energy and strength, bring families closer together and unite entire communities. Join a caring group of people who improve the lives of children with critical illnesses by getting involved with our mission. There are many ways to have a positive impact on wish kids:

BECOME A WISH GRANTER.

Wish granters work directly with wish kids and families to determine a child's wish and then play an instrumental role in helping to plan, create and fulfill the child's wish. Wish granters volunteer their time around their own schedule.

ENHANCE A WISH. Contact your local chapter to learn about wish enhancement opportunities. These include greeting a wish family at the airport, assisting with building a playhouse or cheering on a wish kid whose wish is to be a superhero.

SUPPORT A LOCAL CHAPTER EVENT. Annually, chapters host a variety of events including walks, galas, endurance challenges, airline miles campaigns and golf tournaments. Individuals can support these events through sponsorship, serving on a committee, forming a Walk For Wishes Team or volunteering day-of.

SPREAD AWARENESS. Follow us on our social media networks and share our stories. Conveying a clear message about why Make-A-Wish needs support, and why now, will further our reach in communities.

SHARE YOUR SKILLS AND PASSIONS. By sharing your professional skills and expertise, we can strengthen our operations and enhance the wishes we grant. Are you bilingual? Work in a skilled trade? Have experience in photography or graphic design? There are many ways your talents can be used. Please let us know what yours are!

DONATE UNUSED AIRLINE MILES.

Most wishes require airline travel. Major airlines allow frequent flier members to donate their unused miles or points to Make-A-Wish. It's a simple but meaningful way anyone can help grant life-changing wishes.

RECRUIT A VOLUNTEER. Your firsthand knowledge of the impact that our mission has can be the most powerful tool in recruiting like-minded individuals. Talk about Make-A-Wish to your family, friends, neighbors and co-workers to recruit a volunteer and help move our mission forward.

FUNDRAISING PROGRAMS.

Help us stretch the dollars we raise by hosting a fundraising program on our behalf. Toy drives and gift card drives are great ways to give back to our mission. An in-kind donation can help off-set expenses for wishes and operating costs, too.

GIVE. While the true impact of a wish cannot be measured in dollars and cents, Make-A-Wish relies on the generosity of individuals and corporate supporters to provide the necessary funds to create an amazing experience for every wish kid. Your donation will help us continue to grant life-changing wishes.
